

H-D[®] HERITAGE[™]

FULL SYNTHETIC SAE 20W-50

ENGINE OIL

H-D HERITAGE Full Synthetic SAE 20W-50 motor oil has been formulated to meet the unique needs of antique, vintage and classic motorcycle engines. Delivering maximum protection when running and corrosion protection when stored between rides.

H-D Heritage is suitable for use in most non-catalytic converter-equipped motorcycles specifying the use of 20W-50.

HIGH ZDDP ■

High Zinc formula delivers extra wear protection, even in extreme heat while shielding engine parts.

SHEAR STABLE TECHNOLOGY ■

Maintains viscosity for consistent protection and performance.

ADVANCED CORROSION INHIBITORS ■

Formulated to protect engines against rust during extended storage.

OPTIMIZED ANTIOXIDANTS ■

Balanced formulation ensures longer engine life and reliable performance.

DUAL-ACTION DETERGENTS ■

Engineered with calcium and magnesium detergents to keep your engine clean and running strong.

PRESERVE YOUR LEGACY.
